

Confidence, Skills, and Scholarships

A Pathway Made Possible

In 2024, Joel Burke was supported via sponsorship by Paul Newton Constructions to complete his Certificate II in Rural Operations at ShoreTrack.

Paul and Kathy's sponsorship gave Joel the opportunity to learn, grow and gain hands on experience on the job. That confidence helped him secure a traineeship and eventually earn two major scholarships to study on-site at Tocal Agricultural College.

“Joel's confidence and skills grew every day - and now he's thriving at Tocal Agricultural College, thanks to the support of Paul and Kathy Newton”
