Dear Paul and Kathy,

On behalf of ShoreTrack, I would like to extend our heartfelt thanks to you both for your generous sponsorship and support of Joel Burke over the past 12 months.

Your financial contribution to Joel's Certificate II in Rural Operations studies and his attendance at ShoreTrack has made a remarkable difference in his life. The additional opportunity to gain valuable work experience with Paul Newton Constructions not only developed Joel's skills but also his confidence and sense of direction. Thanks to your support, Joel was able to secure a traineeship at ShoreTrack, which became a key stepping stone in his educational and personal journey.

We are thrilled to share that Joel is now studying a Certificate III in Agriculture at Tocal Agricultural College. His hard work and potential have been recognised through the award of a Tocal scholarship, and he has also received a Royal Agricultural Society scholarship to cover his accommodation and meals while studying.

Joel's progress is a testament to what can be achieved when community members invest in young people's futures. Your belief in him has helped unlock new opportunities and set him on a pathway to long-term success.

Thank you once again for your commitment to Joel and to ShoreTrack's mission of supporting young people to live the life they choose.

Please find attached, some images of Joel we have collected through his time with us and his thank you letter to you both, written in 2024 for your records.

With sincere gratitude,

**Jillian Ashley**

Hi Paul

thank you for your support and belief in me to complete my cert II in rural operations and in becoming a trainee at Shoretrack.

Since april last year ive gone to local campus in patterson twice to do training in quad bikes, Side by Sides, fencing and other things. I'm really looking forward to our final week down there in July doing livestock and tractors.

I'm getting paid to work at Shoretrack now as a trainee which has been good.  
I feel alot more responsible ~~and~~ now that im Employed and im ~~tryng~~ trying to be a leader in the jobs im put on.

I think I've become more employable, ~~to~~ confident and responsible ~~&~~ Since Starting Shoretrack 2 years ago.

It'd really like to do some work experience with you some time.

thank you Paul

- Joel
